

Minutes from the September 7, 2008 FGCC Meeting

- Gary Sargent had made very well-received nametags for the membership and handed them out.
- Charlie Stout conducted a program on High Dynamic Range (HDR) photography
 - He did a wonderful job of combining PowerPoint with images he used to create an HDR image
 - It was an appropriate length and depth for the audience
 - He will offer a part two - a Saturday field trip to take some photos and then process them - great idea
 - The presentation will be placed on the website
- Bob Jones - announcements
 - Introduced the business card designed by Gary Sargent with photo donated by David Everette
The club approved making some - we will have some available by our next meeting.
 - Bev passed out:
 - + invitations for the James Center Show to be mailed to targeted people
 - + 6 posters to be placed around town to advertize the show
 - Bob Cole needs help from photographers for the Audubon Society
 - Treasurer, Cyane, requested payment of dues as soon as possible
 - Gary Sargent also captured another nine members photos for the members gallery.
- Chuck Spalding presented a review of the surveys sent out this summer
 - Prizes were given to several folks who got their surveys in early
 - Terrific charts and graphs
 - Stated what the program committee was doing to satisfy the most requested programs
 - The charts and graphs will be posted on the website
- We had 5 visitors - Sallie Jennings, Peggy Siegel, Tom Scott, Zach Custalow and Larry Runlon
- Roundtable participants - Al, Bob Cole, Gilpin, John, Kathy, Ed and Pete
