

FGCC meeting minutes February 13, 2013 at River Road Presb. Church

Old Business:

Ralph Sell gave more details on the FGCC photo contest. Al Warfield showed a poster to advertise the contest. The poster will be sent to all members as a pdf file so members can send it out.

Linda Warfield announced that the new website is presentable now and should be up and running by February 13. All photos for the web should be submitted to Bill Billings since he is the conduit for the site.

New Business:

Robert Sabatini was welcomed and introduced as our newest member to the club.

The nominating committee for the 2013-14 slate of officers was announced. They are Ralph Sell as chairman, Bob Coles appointed by the Board, and Ed Fuhr nominated by the membership.

The certificates of authenticity were available to sign by those members whose work will be hung at Curles Neck.

The possibility of going again this Spring to photograph at Curles Neck was discussed. Also discussed was the opportunity to see the other photographs that will be hanging there.

Roundtable:

The Roundtable has now been moved to a position before the program because there are more submissions and it was felt that not enough consideration was given to the work of the members.

Presentation:

Charles Krumbein made a presentation about submitted suggestions from the membership. There were suggestions that members discuss their interests, that Photoshop be a topic, design and composition, to name a few. Of particular interest and lively discussion was the issue of copyright.

Respectfully submitted,
Cyane Lowden secretary
